SAM'S Club Is Not Your Ordinary Warehouse Club. It's A New Way To Supply Your Business.

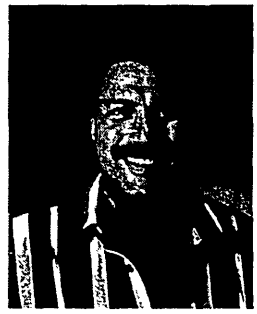
Opens Tuesday in Watertown!

We're In Business To Save Your Business Money.

When you see a huge building, industrial shelving and membership cards, it's easy to see how you may think of SAM'S Club as just another warehouse club. But the truth is, we're really quite different. SAM'S Club, a division of Wal-Mart Stores, Inc., is set up to supply business.

SAM'S Club is not only the number one warehouse club in the country, we're the one warehouse club that offers business people a better source of goods. We stock the merchandise business people use most day in and day out. So you can go to one place and get the supplies or goods you need most for use or resale. Seven days a week. At prices that will help you save more money. Or make more money. Other clubs may offer warehouse prices, but only SAM'S Club is focused on supplying business.

So if you buy goods for an office, restaurant, convenience store, school agency, hotel, contractor or any of hundreds of other businesses, stop by SAM'S Club on Tuesday. Find out more. Choose to join SAM'S Club, and we'll supply you with more than the goods you need to run your business or organization. We'll supply you with the savings.



Steven, owner of a food express business in Rochester, stocks up on eggs, juice, pop and muffins at SAM'S Club. He also picks up hamburger, bacon and other meat products for work and home.
